Keller, Sarah Tideman, and Rebekah Burns for spearheading this awesome event!

### Celebration

The vision for Parkside School is to be the kindest and highest performing school in the state. When you walk through you can see evidence of kindness everywhere! Student earned Parkside Pride awards are proudly displayed in the hallway, and the gym is full of paws! Our students tackled the WYTOPP last month and did a great job. Parksiders demonstrated a high level of learning posting some outstanding scores, in some cases 20+ points higher than the state average!
